If husband and wife are both alumni, each must pay \$20 dues.

No exceptions. Guests need only pay the cost of the dinner.

# Class of 1967 Biographies

## Steve Bechard

"I attended Canton ATC majoring in mechanical engineering after graduation. I completed two years at Canton and then returned home to work on my Dad's dairy farm. I married Vina Clark in 1973 and after 44 years we are still going strong. In 1975 I went to work at Ayerst Labs as a lab tech and then moved to engineering the next year. I took a job in 1978 as packaging engineer at Dooner Labs in Haverhill, Massachusetts. When Dooner decided to move to Philadelphia, I left the company. I returned home to take over the family farm with my sister Cindy and her husband Bob Roy, forming B&R Dairy. My wife and I purchased a home that same year on Point Au Roche where we still live today. We discontinued milking cows in 1987 and started raising heifers under contract, expanding that operation to 1500 animals by the year 2000. I also became involved in the Dairy Calf and Heifer Association, a national association for fellow heifer-raising growers. I was on the national board for six years and president for one. It allowed me to meet other heifer growers and travel all over the United States. After 32 years of farming we sold our complete operation and land to Giroux's Poultry in 2012 and retired. Over the years I have become an avid deer hunter and fisherman. We have a camp in the Adirondacks and spend much of our time there. Another of our passions is trail riding our horses around home and in other states. In the winter we snowmobile in Vermont and New Hampshire. In retirement I do all of the above as much as possible and then repeat. 50 years, I love it! Happy trails to all."

## Marcel R. Castine

"After graduation I continued operation of our small dairy farm until 1973. When we sold the farm I sought a career with a trade I learned at CCRS, welding. From

1973 through 1981 I worked at Pole Lite Industries in Champlain as a welder and welding inspector. In 1981 I sought new adventures and purchased a janitorial and carpet cleaning service in Plattsburgh, operating that business until 1989. With three young sons who loved the sport of hockey I was very involved with the North Country Cougar Hockey Program for many years. In 1989 Barbara and I decided NO MORE COLD, moving to the Sunshine State, leaving son Todd at Plattsburgh State and son David at Brockport State. Our youngest son, Kevin, made a smooth transition with us, entering middle school in Casselberry, Florida. In Florida I sought a career in welding, working for the next 25 years as a senior welding inspector at Wheeled Coach Ind. in Winter Park, Florida, the world's largest manufacturer of ambulances. I also became involved with growing a successful youth hockey program in Florida. We have three sons, six granddaughters, two grandsons and two great-grandsons, and presently are enjoying retirement in Casselberry."

## Calvin L. Coulombe

"I started my working career at Ayerst Laboratories on September 7, 1967. I began in the Packaging Department and progressed through the Manufacturing Division to Manufacturing Specialist A, then to a technician position in the Research Division. I moved through various positions in the Clinical Supply section of Research and Development to the position of Senior Research Scientist. During this time, Ayerst merged with Wyeth and eventually was bought out and became Pfizer. I retired in 2008, with over 41 years of service.

I married Beverly Todd in 1969 and had three children: Stephen, Nicole, and April. Beverly passed away in 1999. April has one son, my grandson, Anthony. I married the love of my life, Karen (Boutin) Benjamin, on June 24, 2000, I have a stepdaughter, Christina, and a stepson, Nicholas, who have always been like my own. I have three beautiful grandchildren: Isabella, Eaven, and

Sophia. We live in Rouses Point and see our granddaughters almost every day. Karen is a Licensed Practical nurse and works as a teacher-student aide at Northeastern Clinton Central School. After many hard winters, sometimes we get the urge to move south for better weather, at least for the winter months."

## Patrick Downs

"After graduation from CCRS I attended SUNY Potsdam, Ithaca College, and graduated from SUNY Plattsburgh with a B.A. in Music in 1972. During my Plattsburgh State years I auditioned for and gained a bass trombone position with the Canada Symphony Orchestra. I have also played with numerous other Canadian orchestras and freelanced in numerous groups in the Montreal area. I have also taught in a number of public schools on the West Island of Montreal, where I currently reside in Pointe Claire, Quebec. In 1984 I decided to become a real estate agent, an occupation that I continued with until 2015. I am currently semiretired but still involved in education as a music specialist with the Lester B. Pearson school board. I also conduct an adult group of musicians, The Kirkland Concert Band. I have conducted this group since its inception in 1984."

## Francis "Roy" Favreau

"I worked for and left town with Stuckey's Construction Co. after completing the store north of Plattsburgh to reside in Georgia. I went into the Army and served from 1969 to 1971. I then returned to Stuckey's Construction in 1971. I married my wife, Sherry Hall, on Nov. 6, 1971. We moved to Florida and I took up welding courses and left Stuckey's to work for Van Linda Iron in Lake Worth, FL. I bought my first home at 801 S C Street, Lake Worth, FL 33460 and have lived there ever since. Sherry and I have four children: Jill, Spencer, Marlene, and Andrew. We have seven grandchildren and two great grandchildren. I worked in construction as a carpenter, and as a truck driver for most of my life. The last

several years before retirement I was a Pier Master at Lake Worth Pier, at Benny's On The Beach, FL. My hobby for the last 20 years has been fixing computers. I obtained my A+ certification from CompTIA in 2001."

### Barbara Goodsell Maas

"Upon graduation from CCRS, I attended Furman University and graduated with a B.A. in Mathematics. For the next year and a half, I taught seventh grade math in Greenville, South Carolina. In June 1972 I married Steven Maas from Decatur, Georgia. The following January, Steve reported to Newport, Rhode Island for Naval Officer Candidate School, the beginning of a 35-year career in the Navy. We moved 16 times, including tours of duty in Norfolk, VA, New London, CT, Washington, DC, Williamsburg, VA, Charleston, SC, Memphis, TN, Colorado Springs, CO, Bangor, WA, and Dunoon, Scotland. In 2007 Steve retired from the Navy and we moved to New Smyrna Beach, FL. We followed in my parents' footsteps by spending eight months in Florida and summers in Colchester, Vermont. While Steve was in the Navy, I worked as a teacher, bookkeeper, and office administrator. We have two children, Ben and Amanda. Ben is an Episcopal priest in Warrenton, VA and has two children, Elliott and Lauralee. Amanda is single and is a sixth grade special education teacher in Louisville. In January, we moved from Florida to Warrenton, VA."

### Stephen LaPierre

"After leaving CCRS I joined the Army Reserves in 1968. Upon returning to Chazy after basic training, I married my wife, Marcia Goodwin. We moved downstate in 1970, and I went to work for the NYS Department of Correction. In 1981 we moved to Connecticut, and in 1983 I started work for the CT. Dept. of Correction. In 1991, after 23 years of service, I retired from the Army. Shortly after the ice storm of 1998 we relocated back to Chazy, renovated the home I grew up in, and built our present

home. We have two children. Heather is in Florida, and Matthew lives locally. We have seven grandchildren living locally, and they keep us very busy. I spend my time doing family home repairs, volunteering with the Clinton County Board of Elections, sitting on the town assessment review board, and as a member of the American Legion Post in Chazy."

### Cheryl (Sherry) Livingston Favro

"After graduating from CCRS I attended Jefferson Community College in Watertown. There I met my first husband. We moved to Texas for a year where he was stationed in the Army. We moved back to Watertown after his service and I began working for the Department of Social Services. We divorced in 1985 and I moved back to Chazy. I then worked for the Office for the Aging in Plattsburgh. I met my husband, Noel, and we married a year later and moved to Rouses Point. We took frequent vacations to Florida. We both loved it and it got more difficult each time we had to leave, so in 1998 Noel retired and we built a home in Bonita Springs. Noel died in 1999, and soon thereafter I moved to Florida full-time. I now live in Port Charlotte, Florida, in a golf community, and have loved playing golf and meeting new friends. I am very active in the Back Pack Kidz program in Port Charlotte, where there is a large population of underprivileged and underfed children. I have been fortunate to do some traveling. I have visited Ireland, France, and my bucket list trip was through Yellowstone, to Mount Rushmore, and traveling Wyoming, Montana and South Dakota."

### Madeleine Poirier

"After graduation, I went to work at Georgia Pacific in Plattsburgh. Shortly after, I was married to Norman Blais in 1968 and moved from Chazy to Lacolle, Quebec. In 1969 I left my job in Plattsburgh and started my family. I am very fortunate to have three children, Celine, Melanie, and Francois. In 1985 I

moved to St-Jean-sur-Richelieu, Quebec and started working for the Canadian Armed Forces Training Base for a short while, and then worked for Oerlikon Aerospace Industries for approximately eight years. In 1997 I went back to college full-time and obtained a certificate in Production Management Services. After this, I worked for Qualum, Inc. in Boucherville, Quebec for 15 years. I am now semi-retired but work an occasional contract with Parks Canada (Quebec Waterways Unit) in Chambly, Quebec, and have been for the last four years. I am very blessed to have seven grandchildren ranging from nine months to 16 years old. My husband and I went on a cruise last year and hope to do that again in the near future."

### Debby Powers

"After graduating, I attended SUNY Jefferson. I moved to Plattsburgh in 1970 and started working at CVPH Medical Center in Perioperative Services as a scheduler, surgical technician, and then the Scheduling and Systems Coordinator. I retired from CVPH and became the Office Manager at an Otolaryngology office. I once again retired in November 2015 and started taking classes to volunteer with AARP as a certified tax aide preparer which I have done for the last three years. I was a founding member of the Board of Trustees for the Champlain Valley Transportation Museum. I volunteer at the Chazy Public Library, where I have been on the Board of Trustees for over 15 years. Recently, I started to make my first quilt with lots of encouragement and help from a wonderful group of ladies from the Lake Shore Scrappers. I am a traditional rug hooker and enjoy doing hand crafts such as wool applique, needlepoint, and cross stitching. I met my partner, Herb McCasland, in 1980. Our first date was the Formula 1 race in Montreal and we still enjoy watching all the F1 races. Now that we are both retired we enjoy going to auctions, gardening, and the never-ending repairs on our 1856 home in Ingraham. Our favorite summertime activity is going for rides in our 1960 T3 with our dog."

## Jill Relation Otis

"I attended Chazy Central from kindergarten through graduation. I have many fond memories of my years there. It is thanks to David Martin that I continued in the field of education. After graduation I attended Plattsburgh State. I graduated with my masters in education. In 1971 I married Greg Otis and settled in West Chazy. I obtained my first teaching position at Chazy Central in 1972. I taught kindergarten there for a year. The following year I was hired at Beekmantown Central where I taught for 33 years. I held several elementary positions, spending most of my time in fifth grade. I was lucky I loved my job. While I taught my husband was working, and started his own business, Otis Feed and Tack. That also enabled us to continue to pursue our love of horses. After I retired in 2004 I helped him out until we liquidated the business in 2012. In 2010 we purchased a home in Solvita, a retirement community in central Florida. There we have made many friends, and enjoy all kinds of outdoor activities, particularly pickle ball. In 2014 we sold our home in West Chazy and moved to Fort Scott Estates, located on the old Plattsburgh Air Force Base, where we continue to reside. There we are also able to continue all our outside activities. We now spend six months in each place, and thoroughly enjoy each one. Retirement has far exceeded our expectations."

## Tommy Roberts

"After graduation I joined the U.S. Army and married Nancy Bechard in December. I was stationed in Texas, and while there we had our first child, Thomas Jr. I moved my family back to Rouses Point, and in March of 1969 I was deployed to Vietnam. I returned in April 1970 and started working for the N.Y.S. Department of Corrections in August. I worked in several facilities throughout the state in a variety of positions. In 1972 we added a baby girl, Tammy, to our family, and in 1977 our third child, Trisha, was born. In 2003, I retired as a Deputy

Superintendent of Security from Riverview Correctional Facility. In 2012 I started working at Blue Haven Campground, where we spend our summers. Starting this year we will be spending our winters in Florida. We are the proud grandparents of three boys and three girls."

## Karen Jane Taylor-Hudson

"Born: November 6, 1949, Montreal, Que. B.A. English Literature/Art History, Carlton University, Ottawa, ON, 1975. B.Ed. Business Education, University of Toronto, Toronto, ON, 1976. After a brief teaching career with The Scarborough Board of Education (Toronto) and Education Director, Oxford Learning Centres, I was employed at Nortel Networks, Customer Service Specialist-Technical Product Documentation. In retirement I helped my husband, Ron, run Willowbrook Bed and Breakfast, a beautiful country home on the Niagara Escarpment. In the past 10 years I have taken many cruises with Royal Caribbean, the highlights being the Panama Canal, Southeast Asia, and circumnavigating Australia. I am a proud Canadian, but equally proud to have two forebears who fought at the Battle of Brandywine Creek, Pennsylvania (September 11, 1777) during the American Revolution. Hobbies include reading, walking, travel planning and shopping."

## Sharon Lee Weeden Bouvia

"In September 1967 I moved to the campus of Plattsburgh State to study Elementary Education. I paid full tuition to sit around in a group to discuss such worldly topics as, "Is the moon made of green cheese?" and listen to Sgt. Pepper's Lonely Hearts Club Band. I married Lawrence Bouvia in September 1969. We moved to Plattsburgh and we were blessed with two wonderful sons, Bradley and Christopher, my pillars of strength. They married two beautiful women, Jean and Heather, and between them I have three beautiful grandchildren, Hannah, Erica and my "Weeden" Bouvia, Cayden, who is an answer to a prayer.

Larry was employed by Georgia-Pacific and I worked part-time for Grand Union and Diamond International. I also worked for Imperial Wallcoverings and returned to school at CV-TEC, where I was valedictorian of a small class of Surgical Technologists. There has been much tribulation in my life, but the Lord's promises for me are "Yea" and "Amen" and I am, yup, eternally grateful for His love for me. It has always been there, just as it is for each of you."

## Jane Bechard West

"After graduation, I attended Albany Business College and then returned home and worked at Sheridan in Champlain. In April 1970 I married my high school sweetheart, Bruce West. Bruce and I moved to Middletown, CT, and in 1971 our first son, Adam, was born. In 1972 we returned to the area and started building our house in Champlain, where we still reside. In 1973, our second son, Jared, was born. During this time, I was working in the data processing department at Ayerst in Rouses Point. In 1979, Bruce and I started our own business, West Installations. In 1989, I began working at the Town of Champlain as the Town Secretary and Bookkeeper and am still employed there today. In 2010, our family traveled to Rome, Italy and spent two weeks with my brother, who teaches at the Vatican. I enjoy cooking, gardening, and traveling to visit family in Virginia Beach, Florida, New Jersey and Massachusetts. Bruce and I are also especially proud of our two grandchildren, Emily, 17, and Benjamin, 13."

## Bruce West

"After graduation, I attended Hudson Valley Community College and then moved to Connecticut where I worked for the State of Connecticut Highway Department. In 1970, I married my high school sweetheart, Jane Bechard, and we moved to Middletown, CT. Our first son, Adam, was born in Connecticut in 1971. The following year, we returned to the North Country, built our house in Champlain, and

our second son, Jared, was born in 1973. In 1979, Jane and I started our own floor covering business, West Installations, which we ran for several years. In 1988, I started working at the State of New York Department of Corrections as a Vocational Instructor and I am still employed there today. Jane and I are the proud grandparents of two grandchildren, Emily, 17, and Benjamin, 13. In my spare time I enjoy woodworking, playing golf, and working with the Champlain Knights of Columbus."

**Linda West Mayo**

"In 1971, I graduated from SUNY Plattsburgh with a BS in Home Economics

Education. In 1972, I married Alan Mayo. We had three children: Nathan, who lives in the Hudson Valley, and identical twins James and Jeffrey. Jeffrey died in infancy and Jamie has special needs and lives in an assisted living group home close to me. When the children were young, I did a lot of substitute teaching in several North Country schools. After Alan and I divorced, I eventually moved to the Hudson Valley, bought a house, raised my sons, and worked in several unfulfilling jobs. As I turned 40, I decided it was time to figure out what I really wanted to do with the rest of my life, so I pursued a life-long interest in the legal field, went back to college, and became an American Bar Association-certified Paralegal. In retirement, I still take care of my brother Paul's grandson a day or so a week."

**IN MEMORIAM**

**Louise Brushnefski '38, Leila Peltier Cordick '40, Elizabeth Brothers Wood Hamel '42, Rita LaPointe LaForest '44, Theresa Collins Conroy '49, Robert Church '51, Gordon Stiles '51, Sally Reynolds Brockington '53, Shirley Manor Brothers '55, Arnold Beeman '57, Wyman Pearl '62, Veronica Terry Reeves Brasdat '63, Russell Brothers '64, William Gordon '68, Michael Roberts '69, Wayne Tyler '69, James Champagne '73, Brent Wilson '74, Renee Adams (member of Class of '84, moved before graduation)**

## **What a fantastic year it has been for the CCRS Education Foundation!!!**

The CCRS Education Foundation's mission is to promote enhanced education for students at Chazy Central Rural School, and to stimulate public and professional interest in such education. With the help from generous donors, like you, we have been able to award grants to several teachers and staff in the amount of \$16,453.20. The educational tools purchased thus far, include, 15 dry erase top desks, 10 standing desks, Visualization and Verbalization computer software for the Speech Department, Bunjo Chairs and Whisper Phones, a Vex Robotics Classroom Kit, and registration fees for the Harvard Model United Nations team.

**The CCRS Education Foundation is extremely thankful to the William H. Miner Foundation, who have generously offered to match donations made to the CCRS Education Foundation, through the end of 2017.** There is no better time to make your pledge to help enhance the education of our fledgling eagles! The CCRSEF is a fully tax deductible, 501(c)(3) organization. We are happy to accept individual and/or corporate tax deductible donations, joint charitable giving programs (ie. Employer matching programs), and we can accept bequests and be a part of estate planning.

Please visit our website, [www.ccrsef.com](http://www.ccrsef.com), or our Facebook page for more information. Online donations are accepted, as well as through the mail. Our address is CCRS Education Foundation, PO Box 256, Chazy, NY 12921. If you have any questions or would like to offer your services as a fundraiser, please contact one of our Directors, or email us at [ccrsef@gmail.com](mailto:ccrsef@gmail.com). We look forward to a very bright future for the students of our venerable Chazy Central Rural School!

### Alumni Scholarship Eligibility

1. The applicant must be the son or daughter of a graduate of Chazy Central Rural School who is a member of the Chazy Alumni Association.
2. The parent/guardian must be a paid member of the Chazy Alumni Association for the preceding three years prior to and the year of the applicant's graduation. All dues must be paid by December 31 of those four years.
3. The applicant must be a graduating senior of Chazy Central Rural School who meets all requirements for graduation.
4. Applicant must plan to attend an institute of higher learning full-time.
5. Applicant must submit the application for the Chazy Alumni Scholarship by the deadline date, which is the second Friday of May, before 3:15 p.m. to the school guidance office.
6. The voting board of the Chazy Alumni Association will determine the amount of the scholarship annually. All decisions of the Chazy Alumni Association are final.
7. Payment of the scholarship will be made after the recipient has successfully completed his/her first semester of college and verifies that he/she has enrolled for a second semester of college. A copy of their transcript, verification of classes enrolled in, or copy of the invoice for the upcoming semester must be forwarded to the Treasurer of the Alumni Association by January 31.
8. Three letters of reference are required.
