

Parent/Child Aquatics Registration

Parent and Child Aquatics Level 1 - 6 months old through 3 years.

Chazy Central Rural School would like to offer swimming lessons to preschoolers in the community. Lessons will be provided by an American Red Cross WSI, using the Learn to Swim program. This course introduces basic skills to parents and children. Parents learn how to safely work with their child in the water, including how to appropriately support and hold their child in the water and how to prepare and encourage their child to participate fully and try the skills. Children receive an introduction to basic skills that lay a foundation for learning to swim. In addition, it's a great opportunity to socialize with your little ones.

Those enrolled will receive 6 lessons, once a week, for 30 minutes each. Classes will be offered at 9am on Saturday mornings. **April 13th through May 18th.** Cost for the lessons will be \$75. Checks should be made to CCRS. Registration is required and is first come first serve.

Any questions please contact me at egarrand@chazy.org or call 846-7135 ext. 478.

Thank you,
Liz Garrand
Pool Director
