

**FIELD TRIP AND EXTRACURRICULAR
ACTIVITY TRANSPORTATION**

Upon approval of the Superintendent of Buildings, Grounds and Transportation, school vehicles may be used to transport students on field trips or for extra-curricular activities within a radius of 50 miles from the school. The Director of Transportation may also grant permission for trips outside of the mileage limitations. General bus procedures should be followed for extracurricular bus use.

Other trips that evolve from invitation and/or excellence of performance will be submitted to the Board of Education for approval.

Saturday, Sunday, Holiday Transportation

Transportation shall be provided on Saturdays, Sundays, and/or holidays for resident, district public school students who are participating in approved school district programs which are under the supervision of certified instructional staff members.
