

INSURANCE REGULATION

Contractors will be required to furnish a certificate of insurance for each and every liability policy pertaining to the school district. Such certificates shall be issued and signed by the insurance carrier showing the name of the company, the inception and expiration dates, the amount of limits, both bodily injury and property damage and an endorsement attached naming the school district as an additional insured. No work shall begin nor contract let until such certificates be provided and filed in the district office.

Evidence of the following coverage must be provided:

1. workers compensation, occupational and employee liability;
2. comprehensive general liability with limits of not less than \$250,000 for each person, \$500,000 for each accident for bodily injury, and \$100,000 for each accident for project damage including contractor's protective liability;
3. comprehensive automobile liability.

The certificate shall specify fifteen (15) days advance notice by registered mail to the school district in the event of cancellation or change in coverage.
