

Seventh Grade Art Supply List

Hello, fourth quarter seventh grade art class students! This is a note to remind you that when you begin your quarter of Art Instruction, you will need to bring your art supplies in a shoe box labeled with your name on both of the short sides. Please cover/ paint then decorate the shoebox following a theme that interests you. This will become your first graded project for my class.

You should have inside the box:

- one black extra fine point sharpie
- 3-6 #2 pencils
- An eraser
- A pencil sharpener
- A pair of scissors
- A small bottle of glue
- Old cotton t shirt for a painting rag for the art room
- One package of fine point 12 different colored sharpies

I will provide all the other materials that you will need. I am looking forward to meeting all of you!

- Ms. Potthast
