

Ms. Penfield Math Class Supplies List 2024-2025

Courses: Algebra 2, CAP MAT161 Statistics, CAP MAT204 Precalculus and CAP MAT224/225 Calculus

- A 3-ring binder for math only
- Lined paper
- Pencils/Erasers and Pens

Optional: Graphing Calculator (Graphing Calculators are available for all students to use while in class. School models may also be signed out for students to use throughout the year.)

If you are planning to purchase a graphing calculator, please select any model from the Texas Instruments TI-84 Plus CE family. Many lessons will include instructions specifically on the use of the TI-84 Plus CE and students will be able to use this model for all years of high school math. If you are considering making this purchase, Please feel free to contact me before doing so.

If you have any questions regarding the above, please contact me via school email:
