

Chazy Athletic Association Merger Sports Policy

Attention Chazy Athletes and Parents:

Student athletes who participate in merger sports have an opportunity to earn a subsidy toward the cost of the merger. Subsidy amounts are dependent on fundraising and volunteer efforts, and can vary year to year.

Participation in the Gold Card fundraiser and volunteering in the Snack Shack are two great ways to help earn the subsidy. We ask **ALL** athletes to attend the Gold Card meeting (date to be announced) to participate in this event. PLEASE NOTE: *This is not just for soccer players.*

The Snack Shack is open during all home soccer games and is a fun way for parents/adults to volunteer and support our Chazy Eagles!

While Gold Cards and the Snack Shack occur during the fall soccer season, options for fundraising are available throughout the year. While we do encourage the fall fundraisers (as these are the two that make the most money during the season, and thus provide more support toward the subsidies), the CAA will work with student athletes and their families on other fundraising and volunteer efforts on an individual basis. Please reach out directly to the CAA for more options.

An application for the subsidy must be submitted to CAA at the beginning of the sports merger season. An athlete is only eligible once per year for the subsidy, regardless of the number of merger sports played. **No applications will be taken after June 1st of each year**, so please submit your application prior to June 1st!!!! *Proof of payment must be sent to the CAA in order to receive the subsidy.

You can find the application at <https://www.ccrsk12.org/chazy-athletic-association/> on the Chazy Central School website.

Any questions regarding this policy can be directed to any CAA officer: President, Jill Demers; VP, Nichole Boyea; Secretary, Michelle McLennan; Treasurer, Brooke Castine. Or email to chazyathletic@gmail.com

The subsidy amount is based upon CAA financial ability and total number of athletes seeking the subsidy, and is subject to change without notice.
