

Preschool Swimming Lessons

Preschool Aquatics - 3 years to 5 years old.

Chazy Central Rural School would like to offer swimming lessons to preschoolers in the community. Lessons will be provided by an American Red Cross WSI, using the Learn to Swim program. This course will help familiarize children with the aquatic environment. In addition, it will help them acquire and improve upon basic aquatic skills. Preschool aquatics will also help participants begin to develop positive attitudes and safe practices in and around water. Parents will not be asked to get in the water.

Those enrolled will receive 6 lessons, once a week, 30 minutes each. Classes will be offered at **9:30am** on Saturday mornings **March 1, 8, 15, 22, 29 & April 5**. Cost for the lessons will be \$75. Checks should be made to CCRS. Forms and payment should be dropped off or mailed to: 609 Miner Farm Road, Chazy, NY 12921. Registration is required and is first come first serve.

Any questions please contact me at egarrand@chazy.org or call 846-7135 ext. 478.

Thank you,
